

## MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

ThinkCentre Tiny-In-One devices enable businesses to upgrade displays and computers separately, but still enjoy the space-saving benefits of an all-in-one device.

# ThinkCentre Tiny-In-One 22 Gen 3

Smarter  
technology  
for all

Lenovo

For buyers looking to keep up to date with the latest technologies, this 22" all-in-one provides an alternative to the normal upgrade cycle; you can purchase the PC separately from the display. Insert any ThinkCentre Tiny into the dedicated bay behind the screen – no cables or tools required. Connect a single power cable, press the power button on the screen and you have a fully-functional 'modular' all-in-one.

## REASONS TO BUY

The Full HD display has an optional touchscreen, and is TUV Eye Comfort certified for improved user comfort in bright or low-light environments, with low blue light output and an anti-reflective coating. Above the screen is a webcam which can be angle-adjusted independently from the display, or rotated into a non-visible privacy mode.

Screen can tilt, swivel and lift, and rotate 90 degrees. Supports VESA wall-mounting or connection to an extendable arm for improved ergonomics.

Energy Star® and EPEAT® Silver energy efficiency certifications. TCO Certified – meets independent standards for social and environmental sustainability.

# ThinkCentre Tiny-In-One 22 Gen 3

## DISPLAY

## Recommended for this device

### Lenovo Adjustable Height Arm

Reduce neck & back pain by positioning a VESA-compatible monitor, ThinkCentre MAIO or Lenovo V Series AIO, to the most comfortable height and angle

Extends display out to a range of 64cm (25"), with height adjustment up to 33cm (13")

Can be fitted to desk via a clamp without drilling holes

### Lenovo Professional Wireless Keyboard & Mouse

Wireless keyboard and mouse combo with reliable 2.4 GHz wireless connection

Slim keyboard with number pad, noise-suppression design, dedicated media controls & adjustable tilt legs

Contoured design of the mouse suits both left-handed & right-handed users

### Warranty Extensions

Purchase additional warranty periods from 1 to 5 years

Buy at any point with or after your device purchase

Optional On-site Service
