DISCOVER professional display DIS-9800

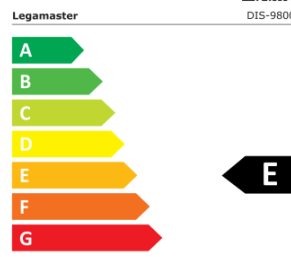

- Legamaster DISCOVER range of professional displays offers a cost-efficient solution to upgrade presentations in both corporate and educational settings
- Available from 65 to 98 inch, the DISCOVER displays are made especially for classrooms and medium to big meeting-rooms
- Onboard, users can find a web-browser, media player and office document player that offer basic functionality without any connected devices needed
- Connecting the DISCOVER professional displays to an external source, using an AirServer Connect for full casting and mirroring options or using the displays together with a video conferencing camera and OPS computer will offer users a full, professional presentation solution
